10 Ways to Improve Your Management Skills | Training Magazine

This classic activity clearly shows the difference between being a manager and being a leader. Management and leadership are often interchanged within the business world; however, they are two very distinct skills. Management is essentially process/task focused and centers on the current and immediate future.

Leadership and management activities

Effective managers remain open to new ideas, willing to explore them if they seem reasonable. Micromanagers default to doing the things the way they've always done them before.

Ten Things New Managers Need To Know - Forbes

7. You're a Boss, Not a Friend . One of the most frequent mistakes new managers make is that they try to be friends with their employees. It is especially hard when you get promoted over your peers, and you're now managing friends who were once peers.You're now in a position of power and authority and being friends with one employee, and not another creates perceptions of bias and favoritism.
