HISTORICAL ATLAS OF INDIA 43 in the provinces south of the Narbada had been acknowledged by the emperor, died in 1748. His death gave the French an opportunity of interfering in Indian affairs. Dupleix, who was then governor of Pondicherry (the chief French settlement in the south), managed so skilfully, that in 1751 he was acknowledged governor of all the country from the Kistna to Cape Comorin.

## **A historical atlas of India / | Colorado Christian University**

Preface The idea of preparing a historical atlas was mooted due to the long felt demand of the scholars as well as students of a good and authentic atlas on the subject. The available information has not been integrated to meet this objective. In most of the cases, the books which are available have been prepared mainly keeping in view the requirements of the curriculum having limited ...

## **Historical Atlas of India - Exotic India**

Despite the fact that Indian history is one of the most fascinating, India, alas, is the only important part of the inhabited world for which there is no historical atlas. I think the reason for this is simply that there is too much uncertainty among serious scholars about when the numerous cultural and political units started and ended, and even more uncertainty about where to draw the borders.

A Historical Atlas of South Asia is a definitive historical chronology of the region of South Asia from prehistoric times through the present. It was edited and largely authored by Joseph E. Schwartzberg, professor emeritus of South Asian Studies at the University of Minnesota. Although much of the coverage in the atlas is principally focused on India and Pakistan, Nepal and Bangladesh are ...
