A Lonely Minority The Modern

Edward Wakin writes A Lonely Minority in an attempt to portray the struggle for survival by millions of Christians who take pride in being known as the "original Egyptians." Minorities in today's world have always been fighting for civil liberties and rights, yet in this case, these Egyptian Christians are still being denied of their privileges.

Bat Ye'or: A Christian Minority. The Copts in Egypt

A model minority is a minority demographic (whether based on ethnicity, race or religion) whose members are perceived to achieve a higher degree of socioeconomic success than the population average, thus serving as a reference group to outgroups. This success is typically measured relatively by educational attainment; representation in managerial and professional occupations; and household ...

Model minority - Wikipedia

David Riesman here discusses how the Jew—or the member of any minority (even a "minority of one")—may hope to regain the "nerve of failure." The "nerve of failure" is the courage to face aloneness and the possibility of defeat in one's personal life or one's work without being morally destroyed.

A Philosophy for "Minority" Living: The Jewish Situation ...

"Modern loneliness," Worsley writes, "isn't just about being physically removed from other people. Instead, it's an emotional state of feeling apart from others - without necessarily being so." Much of this new form of loneliness seems connected to another world - cyberspace - that opened up at the end of the 20th century.
