### A Protestant Vision William Harrison

A Protestant Vision is a fine work that makes important contributions to intellectual, religious and political history. Indeed, its singlar achievement is to link these often disparate subjects together making it impossible to study the Reformation in isolation form early modern science or any debates on early modern political formations.'

### Amazon.com: A Protestant Vision: William Harrison And The ...

A Protestant Vision consists of seven lengthy chapters and is divided into two parts, the first dealing with Harrison's view of history, the second with his vision of England. Chapter one, 'The Two Churches', shows how the enthusiastic young Protestant convert came to feel that if history was studied closely and scrupulously enough he would be able to establish a means of judging the successes and failures of the Elizabethan Church 'as part of the prophetic continuum of history' (p ...

### A Protestant Vision: William Harrison and the Reformation ...

This book deals with the thought of William Harrison, a well-known Elizabethan intellectual, whose ideas are significant chiefly because they are often representative of the thoroughgoing Protestantism which adapted continental reformed ideas to the circumstances of Tudor England.
