Coens (a labor attorney) and Jenkins (a human resources consultant) argue that the process of performance appraisal frustrates most employees and managers who use it. Rather than modifying this process, they offer suggestions on how to replace performance appraisals with other approaches that emphasize teamwork, empowerment, and spirituality.

Abolishing Performance Appraisals: Why They Backfire and ...

As a result, the suggestion to abolish performance appraisals comes as no surprise (especially since that's the title) and the logic is appealing, as well. To get rid of performance appraisals will be difficult in most companies, because people will not be able to imagine what the alternatives can be.

Bookshelf - Abolishing Performance Appraisals

While the original Performance Appraisal was born with worthy intentions, it has morphed into what is now perceived by many as the new "workplace tyranny." It no longer accomplishes the intended goals, drives an overburdening bureaucracy, and worst of all a real fear amongst employees.
