ADMINISTRATION OF JUSTICE IN BOMBAY PHASE I (1668

The administration of justice is the process by which the legal system of a government is executed. The presumed goal of such administration is to provide justice for all those accessing the legal system. The phrase is also used commonly to describe a University degree (as in: a BA in Administration of Justice), which can be a prerequisite for a job in law enforcement or government.

Administration of justice - Wikipedia

Administrative justice concerns how we interact as individuals when the government, or those working on its behalf, act in ways that appear wrong, unfair or unjust. It encompasses matters of everyday importance to all of us, such as housing, education, health care, immigration, planning, social security and taxation. Various projects have been carried out to map...
