Civics education also teaches students that when they become adults they can rightfully lay claim to the government as lawful citizens. They learn that it is the voice of the citizenry, not that of obscure elected politicians, that ultimately matters when it comes to shaping the government. Politicians ideally should represent the people.

Key reasons why students should learn about civics

Civics and ethical education was also considered as the tool established to support the state propaganda by a number of people. And yet, civic education is a science which is aimed to produce responsible citizens in this country.
