Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

### Anger Is An Energy My

In *Anger is an Energy*, he looks back on a life full of incident, from his beginnings as a sickly child of immigrant Irish parents growing up in post-war London to his present status as a vibrant, alternative hero. The book includes 70 black-and-white and color photos, many which are rare or never-before-seen.

### Anger Is an Energy: My Life Uncensored: Lydon, John ...

'Anger is an Energy' is John Lydon's second attempt at an autobiography, following 1994's 'Rotten - No Irish, No Blacks, No Dogs'. (Clearly one of the drawbacks of writing an 'early in life' autobiography, is that there may well be a lot of life still left to live and still left to write about).

### The Energy of Anger | Psychology Today

The fourth leak is the manifestation of negative emotions, where energy is squandered in small and large doses throughout the day. Negative, as used here, does not mean bad; it means an emotion that negates or denies. It says "No" to life. Anger, for example, says, "I don't want this!" I'm not talking just about loud outbursts of anger.
