Profiling Germany's Utopian Modernist Architect Bruno Taut

Alpine Architecture. Alpine Architecture. 1917. Architect: Bruno Taut. "This proposal may seem adventurous and even pretentious, but at the risk of being chided as immodest and utopian, it must be made at least once. It should merely clarify in a concrete form the tendencies that encourage one to build high and should not be looked at as an end in itself, but rather as a suggestion that brings us closer to the realization of what was identified previously and to the fulfillment of further ...

Hidden Architecture » Alpine Architecture - Hidden ...

The collaboration of Bruno Taut and the utopian poet Paul Scheerbart attempted to address the problems of German society by a doctrine of glass architecture. Such utopianism can be seen in the context of a revolutionary Germany where the tussle between nationalism and socialism had yet to resolve itself.

Expressionist architecture - Wikipedia

The drawing appears in *Alpine Architektur*, a book by Bruno Taut, in which he portrays his utopic project for a city in the Alps. This is the view from the Monte Generoso (lamina 17). Alpine architecture was a free project, solved with no apparent restrictions, no limitations owing to the place, material, or economy's conditions.
