Give us a call whenever your ongoing marketing demands require the best exhibit service your promotional dollars can buy.

Conflict In Somalia Drivers And

Somalia's history of conflict reveals an intriguing paradox--namely, many of the factors that drive armed conflict have also played a role in managing, ending, or preventing war. For instance, clannism and clan cleavages are a source of conflict--used to divide Somalis, fuel endemic clashes over resources and power, used to mobilize militia, and make broad-based reconciliation very difficult to achieve.

Governance-based drivers conduct to the main political causes for the conflict, especially due to the country's political and historical background. The ouster of Barre's military regime is considered to be the catalytic event that triggered major conflict in Somalia. Instead of replacing the governance, the country remained without government or any other central security force, which led to a prolonged period of violent anarchy and warfare.

Conflict in Somalia: Drivers and dynamics - Somalia ...

Somalia's collapse was hastened by the ending of the Cold War. As Somalia's strategic importance to the West declined, the foreign aid that had sustained the state was withdrawn. Without the resources to maintain the system of patronage politics, Barre lost control of the country and the army. In January 1991 he was ousted from Mogadishu by ...

Endless war: a brief history of the Somali conflict ...

Somalia, which has been wracked by civil war since the collapse of its central government in 1991, epitomises this. In the following piece, Afyare A Elmi argues that it was a combination of the struggle by local groups for power and resources, colonial and foreign intervention and state repression which precipitated the conflict.

For the last thirty years Somalia has experienced violence and upheaval. Today, the international effort to help Somalis build a federal state and achieve stability is challenged by deep-rooted grievances, local conflicts and a powerful insurgency led by Al-Shabaab. This book constitutes a unique compendium of insights into the insurgency and its impact.
