The line of trees is played against the horizontal line of the roof and the horizon. Art Composition Structure #2 - S-Shape In this design, you create a winding line, preferably with most of the twist toward the bottom of the painting. This offsets the painting's design, and the S-shape will draw your eyes into it.

Oil Painting Tutorials - Step 7 I finish this oil painting sketch by using my finger or a clean brush to soften the edges of the mountain ridges against the sky. At the same time, I want to keep the tree sharper, because it is in the foreground. Edge control is usually the last step of my painting process.

The trees in the foreground are dark and underexposed in the photo. Because it is hard to make out any color, my mind defaults to green and brown. It seems the more ambiguous the colors, the more my idealized views take over. Regarding the trees in the background, beginner painters would be prone to overusing green and underusing yellow and orange.
