Reading text: Reflective writing : In January I spent three weeks volunteering as an English teacher in my town. I've been thinking about becoming an English teacher for a while so it was a good opportunity to see what it's like. The students had all just arrived to start a new life in the UK and they had a

Reflective writing - Learn English Online | British Council

Unlike a mirror that uses a shiny surface to reflect our appearance back at us, reflective writing uses words to create a picture of what our skills, abilities and feelings about them might be. For example, imagine that you have just completed a piece of writing about cats.

Reflective writing | Articles | University of Greenwich

Before I arrived at the Bridge Program I hated writing; no I despised it. My 10 th grade English teacher Ms. Taylor was like a mountain of salt poured on an open wound drowned in alcohol. This blonde haired demon, as helpful as her methods helped me further my English interpretation skills, knew very well that my writing skills were poor compared to that of the remainder of my class.

Reflection of My Writing Growth - Jordan's Writing Portfollo

Reflective essays are very personal thus, they're a special type of essay. As you write one, you need to reflect, think, and explain. In the essay, you should demonstrate and describe different feelings or emotions which you've felt in the past.
