Freud's work on narcissism caused him to change his bipartite model of the mind to the familiar id, ego, and super-ego model. Aggression was originally thought to be a part of the sexual instincts, but it is actually distinct. He explains an internal battle between the creative drive Eros, and the aggressive, destructive, death instinct.

Freud was once revered as a kind of Messiah. Now he is reviled. As usual, the truth lies somewhere in between. Given the brevity of this book, it is remarkably comprehensive, and is an ideal introduction to the man and his work. I read Schopenhauer: A Very Short Introduction before reading this book and I would recommend doing that.
