The History of the Frisbee - ThoughtCo

Sovereignty, in political theory, the ultimate overseer, or authority, in the decision-making process of the state. Although the term was originally understood to mean the equivalent of supreme power, its application in practice often has departed from this traditional meaning.

sovereignty | Definition, History, & Facts | Britannica

The entire history of the world at your fingertips, with lots of great graphics. One of the things i especially love about this book is that much of it (beginning in the 1900's) has a full two page spread for each year. It's extraordinary to see the events of the year 1914, for example, laid out in such detail.
