The Alabama Learning Exchange includes multimedia, learning activities, lessons, and unit plans all “connected” by the Alabama Standards to promote deeper-learning competencies essential for success in college, careers, and our global society.

ALEX | Alabama Learning Exchange

A curriculum may be partly or entirely determined by an external, authoritative body (e.g., the National Curriculum for England in English schools).. Crucial to the curriculum is the definition of the course objectives that usually are expressed as learning outcomes and normally include the program's assessment strategy. These outcomes and assessments are grouped as units (or modules), and ...
