How to manage your money effectively

Budgeting like the middle class: For those with a middle-class mindset, a budget serves as a tool to make sure you spend less than you make, but also know how much "fun" money can be spent. Yet the source of that money is always earned income from a salary rather than passive income from investments.

How to Manage Your Money - Rich Dad Learn

Start by putting away as much of your expendable (excess) income as possible. Make savings a priority in your life. Even if your budget is small, tweak your finances so that you save greater than 10% of your total earnings.

How to Manage Your Finances (with Pictures) - wikiHow Life

A better way to manage saving money is to pay yourself first. Decide on a percentage of your income you want to put into savings, and do that first before you pay anyone else. You can have the money automatically deducted from your checking account or paycheck every month and sent directly to savings. The more you can automate it, the better.
