Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Over the years, a number of people have asked if it was possible to bring a KitchenAid mixer from the United States to Europe, and use it here. I certainly couldn't live without my 5-quart mixer, and since they're less expensive in America than they are abroad (because of the electrical modifications and shipping), many folks, naturally, want to know if they can bring their
