Manuscript Of Ancient Chinese Healing

Traditional Chinese medicine (TCM), system of medicine at least 23 centuries old that aims to prevent or heal disease by maintaining or restoring yinyang balance. China has one of the world’s oldest medical systems. Acupuncture and Chinese herbal remedies date back at least 2,200 years, although the earliest known written record of Chinese medicine is the Huangdi neijing (The Yellow Emperor’s Inner Classic) from the 3rd century bce.
