Fandom and Participatory Culture. Fan culture, or fandom, is a term which describes communities built around a shared enjoyment of an aspect of popular culture, such as books, movies, TV shows, bands, sports or sports teams, etc. Fan cultures are examples of participatory cultures. Participatory cultures involve fans acting not only as consumers but also as producers and creators of some form of creative media.

Media Audiences: Effects, Users, Institutions, and Power 2nd Edition explores the concept of media audiences from four broad perspectives: as “victims” of mass media, as market constructions and commodities, as users of media, and as producers and subcultures of mass media. The goal of the text is for students to be able to think critically about the role and status of media audiences in contemporary society, reflecting on their relative power in relation to institutional media producers.

Media Audiences | SAGE Publications Inc

Here, fans are socialized within affective communities of fandom, and engage in subculturally distinctive fan practices such as writing their own fan fiction (“fanfic”) based on characters and situations from official films and TV shows, producing their own fan magazines (“fanzines”), writing their own lyrics to popular songs or standards (“filking”), and engaging in costuming at fan conventions by making replicas of costumes worn onscreen by film or TV actors ...

In sociology, anthropology and Cultural Studies, a subculture is a group of people with a culture (whether distinct or hidden) which differentiates them from the larger culture to which they belong. If a particular subculture is characterized by a systematic opposition to the dominant culture, it may be described as a counterculture. As early as 1950, David Riesman distinguished between a ...
