As explained in our Mitchell 1 Labor Times Q & A, we create labor times that: Reflect average conditions, including the technician, experience, equipment, vehicle and even motivation. Are given in hours and tenths of an hour. Are based on standard equipment and production options of that vehicle's make and model.

**Guide**  
Mitchell makes extensive use of labor notes, and most often, these labor notes reflect related labor that is not included and must therefore be identified separately. Again, you must reference both the labor notes and the P-pages to understand what is included and not included in a given labor value.
