Music In China Experiencing Music

Music in China is one of many case-study volumes that can be used along with Thinking Musically, the core book in the Global Music Series. Thinking Musically incorporates music from many diverse cultures and establishes the framework for exploring the practice of music around the world. It sets the stage for an array of case-study volumes, each of which focuses on a single area of the world.

Music in China: Experiencing Music, Expressing Culture ...

Music in China offers a unique exploration of the rich, dynamic, and multifaceted Chinese musical landscape. In contrast with previous scholarship—which focused almost exclusively on the role of music in elite culture—this volume takes a balanced look at a variety of traditional and modern genres, including those performed among local and regional folk musicians, in academia, in the media, and on concert stages both inside and outside of China.

If you had to categorize China's popular music into two general groups, those would most certainly be: national anthems and pop songs about love. Since the Cultural Revolution in particular, China has been all about anthems of national pride.

What Kind of Music is Popular in China?

In China, music is as old as its civilization. Instruments excavated from sites of the Shang Dynasty(17th - 11th century BC) include stone chimes, bronze bells, panpipes, and the Sheng. When European music was just experiencing its first breath of life, a complete theory and sophisticated instruments were already appearing in China.

Chinese Music, Traditional and Modern Music, Instrument

NetEase Cloud Music and Universal Music Group Enter into ...

Description. Western music reached China nearly four centuries ago, with the arrival of Christian missionaries, yet only within the last century has Chinese music absorbed its influence. As China and the West demonstrates, the emergence of "Westernized" music from China—concurrent with the technological advances that have made global culture widely accessible—has not established a prominent presence in the West.
