For many art historians, the designation "American Art" usually ended at World War II. After the international recognition of Abstract Expressionism, the art world became increasingly globalized and diffuse, with styles and trends practiced in all corners of the world, but recent scholarship has focused on the transnational dialogues that are ...

American Art - All US Art Movements | TheArtStory

Postwar Modern Art and the Rejection of Modernism The development of a new American art movement was held in abeyance until after World War II, when the United States took the lead in the formation of a vigorous new art known as abstract expressionism with the impetus of such artists as Arshile Gorky, Jackson Pollock, and Willem de Kooning.
