Interactive eBook for Social Problems: Community, Policy ...

This problem leaves kids unable to empower themselves, seek better opportunities and earn better wages. Denying children education often sentences them to poverty and social immobility. Organizations such as UNESCO have aimed at producing policy changes and helping kids directly by providing access to educational opportunities.

6 Social Issues that Need Policy Changes

Frequently, community health initiatives, including collaborative activities, sometimes limit their vision and advocacy to policy changes related to health care and perhaps social services (Whittington et al., 2015). Communities—and the federal and state agencies that support them in their efforts to address health disparities—have multiple examples to follow in expanding their focus beyond health care and social services and examining opportunities in economic development, land use and ...
