The positions of boxers who faced each other at the beginning of a bout used to be marked by a scratched line and boxing has the best claim to have been the source of 'toe the scratch' (toe the line). The expression 'start from scratch' came about in 'handicap' races where weaker entrants were given a head start.

'Start from scratch' - meaning and origin.

The two of you start dreaming of opening a brewpub. The steps you take from there on are the most important in determining whether your dreams transform into a successful business venture. The most important first step is the feasibility analysis. A feasibility analysis is the first place to start in planning a brewpub venture.
