The Cell is a 2000 science fiction psychological horror film directed by Tarsem Singh in his directorial debut, and starring Jennifer Lopez, Vince Vaughn, and Vincent D'Onofrio. The film follows scientists as they use experimental technology to enter the mind of a comatose serial killer in order to locate where he has hidden his latest kidnap victim. The film received mixed reviews upon its release, with critics praising its visuals, direction, make-up, costumes and D'Onofrio's performance, whil

The Cell - Wikipedia

Cells Contain Genetic Material . Cells contain DNA (deoxyribonucleic acid) and RNA (ribonucleic acid), the genetic information necessary for directing cellular activities. DNA and RNA are molecules known as nucleic acids. In prokaryotic cells, the single bacterial DNA molecule is not separated from the rest of the cell but coiled up in a region of the cytoplasm called the nucleoid region.
