Nouns are marked for gender, number, and case as well as for definite and indefinite forms. The vast majority of nouns are masculine or feminine, though there are a few neuter nouns. The nominal system distinguishes five cases: nominative, genitive, dative, accusative, and ablative; the genitive and dative endings are always the same.

The name YHW(H) consists of the three Hebrew vowel symbols plus a common suffix that means "house of". Since each of the three letters can be a vowel or a consonant, the name YHW(H) can be pronounced in eight different ways, but as soon as we choose one we deny the seven others and thus we deny the whole and singular identity of the Creator: hence the famous injunction to call for
