The Hermeneutical Spiral A Comprehensive

The Hermeneutical Spiral: A Comprehensive Introduction to Biblical Interpretation by Grant R. Osborne is a massive volume that leaves no hermeneutical-stone unturned. Osborne recognizes the task of hermeneutics as the primary means of a homiletical end and rightly equips the reader to function out of this recognition.

In this newly revised and expanded edition, Grant Osborne provides seminary students and working pastors with the full set of tools they need to move from sound exegesis to the development of biblical and systematic theologies and to the preparation of sound, biblical sermons. Osborne contends that hermeneutics is a spiral from text to context—a movement between the horizon of the text and the horizon of the reader that spirals nearer and nearer toward the intended meaning of the text and ...
