Merchant of Venice Study Guide. The Merchant of Venice was first printed in 1600 in quarto, of which nineteen copies survive. This was followed by a 1619 printing, and later an inclusion in the First Folio in 1623. The play was written shortly after Christopher Marlowe's immensely popular Jew of Malta (1589), a play wherein a Jew named Barabas plays a greatly exaggerated villain.

The Merchant of Venice may refer to the character Antonio, a wealthy Venetian merchant whose trade and relationships intersect in ways that place him in mortal danger when he makes a deal with a moneylender. However, an alternate title that appears in early records, The Jew of Venice, calls this reading into question. The original double title raises questions regarding the identities of the play's hero and villain and the play's stance on anti-Semitism.

The Merchant of Venice contains all of the elements required of a Shakespearean comedy, but is often so overshadowed by the character of Shylock and his quest for a pound of flesh that it is hard not to find in the play a generous share of the tragic as well. Lovers pine and are reunited, a foolish servant makes endless series of puns, and genteel women masquerade as men—all of which are defining marks of Shakespearean comedy.
