The Ninth Step. John Milton is a former assassin for the British government. He is a ronin, trying to atone for his past sins by offering his services to those people who have no-one else to whom they can turn. Milton is keeping a low profile in London when he meets Eddie Fabian. Fabian confesses that he is considering suicide, and that the reason for his depression was the abuse that he suffered as a child.

The Ninth Step is very much about John Milton's struggle with Step 9. This book, at least the last half, has constant action and suspense. I still prefer Mark Dawson's Beatrix Rose series to the John Milton series, but since Rose died in book 3 of the series there will be no more. I recommend this book for those who like action and suspense thrillers.
