The Our Farm Project

Our Farm Project. Made our own hand sanitizer tonight since there doesn't seem to be any to purchase. Turned out pretty good and made a good portion. It made with 2 parts of alcohol and one part aloe, with a fair portion of stirring. It made enough for two of these good size containers and still a half of bowl left.

the farm project introduces lettuce grow When we started our family, we began to think about our food - what goes into it and how it's produced. What we learned about additives, processed foods, toxic agricultural chemicals, and food miles was alarming - but there's a big gap between knowing that our food system is broken and actually feeling empowered to do something about it.

The Farm Project - by Zoey Deschanel & Jacob Pechenik

Our Farm Project June 15 at 6:43 AM · The calm before the family begins to arrive to the wedding ceremony location, within our farm property. In this calm I have laid tobacco, cedar, smudged the area and prayed the Mohawk prayer of thanks giving, almost immediately 2 owls began talking sharing their wisdom for the bride and groom.

Our Farm - Main Street Project

history of the land The land on which the Borner Farm Project is located was homesteaded in the mid 1800's by the Hollister family. It was one of the earliest settlements in Pierce County, in what was then known as the Prescott Prairie. The land was used as rangeland for livestock as well as cropland for grain crops.

OUR HISTORY | Borner Farm Project

Our first hay loft is almost full and once we empty and repair the larger hay loft we will fill it for the winter as well. One thing is for sure, doing hay is exercise like no other lol See More Our Farm Project

Our Farm Project - facebook.com

Food grown by the Poughkeepsie Farm Project, an agricultural cooperative launched in 1999, has long been a part of the menu at the All Campus Dining Center and at the Retreat. But the Vassar-funded hoop houses will greatly enhance the amount of fresh vegetables available to the college's new dining service vendor, Bon Appetit Management Company, when the company commences operations in June...

Poughkeepsie Farm Project

The Farmlink Project is a not-for-profit grassroots movement that connects farms with food banks to feed thousands in need while supporting essential jobs. We fundraise externally to acquire surplus produce from farms and suppliers and pay transportation costs in order to deliver fresh food to food banks in need.
