The Tyranny of Art History in Contemporary Art

In art stores and schools all over New York City last week, a manifesto turned up calling for a DEMONSTRATION. It was signed by two relatively unknown representational painters who were fed up with what seemed to them to be the Museum of Modern Art's lopsided patronage of the abstract, the sensational, and even the absurd.

"There is something ridiculous and miserly in the myth we inherit from abstract art: That painting is autonomous, pure and for itself, therefore we habitually analyze its ingredients and define its limits. But painting IS "impure". It is the adjustment of "impurities" which forces its continuity. We are image makers, and image ridden."
