Viking Economics How The Scandinavians

Viking Economics: how the Scandinavians got right and how we can too, by George Lakey, reviewed by Jerry Woolpy Growing inequality is the root cause of our malaise. The symptoms are elite and corporate dominance and our inability to moderate them at the ballot box. Norway, Sweden, and Denmark provide the vision for our progressive movement.

Viking Economics: How the Scandinavians Got It Right-and ...

Viking Economics: How the Scandinavians Got it Right – and How We Can, Too, by George Lakey, 2016. This book by Lakey gave me a good sense of what an economy looks like whose purpose is not maximization of wealth by the wealthy, but freedom and equality and sustainability. Digging into the history, ...

Viking Economics: how the Scandinavians got right and how we can too, by George Lakey, reviewed by Jerry Woolpy Growing inequality is the root cause of our malaise. The symptoms are elite and corporate dominance and our inability to moderate them at the ballot box. Norway, Sweden, and Denmark provide the vision for our progressive movement.

Viking Economics: How the Scandinavians Got It Right-and ...

In Viking Economics—now with a new afterword by the author—George Lakey dispels these myths. He explores the inner-workings of the Nordic economies that boast the world's happiest, most productive workers, and explains how, if we can enact some of the changes the Scandinavians fought for surprisingly recently, we, too, can embrace ...

Viking Economics: How the Scandinavians Got It Right-and ...

Viking Economics: How the Scandinavians Got It Right—and How We Can, Too. Reviewed by Pamela Haines. By George Lakey. Melville House, 2016. 304 pages. \$26.99/hardcover; \$15.99/eBook. Buy from QuakerBooks. If the title of this book conjures up an image of a dense tome on the economic life of tenth-century Vikings, don't be put off.

Viking Economics: How the Scandinavians Got It Right—and ...

Viking Economics – How the Scandinavians Got it Right and How We Can, Too George Lakey, Melville House, 2016. Freedom is normally a value claimed by the Right and equality by the Left. Often the two are regarded as trade offs: if you want more freedom you get less equality and vice versa. But George Lakey claims that both are delivered by the ...

Viking Economics - How the Scandinavians got it right and ...

Viking Economics does not gloss over the very real problems and contradictions the Nordic countries continue to face. The Sámi, the nomadic indigenous people who travel across Scandinavia, have long been victims of discrimination.

Book review: Viking Economics: How the Scandinavians Got ...

For both reasons I hope that George Lakey's new book, Viking Economics: How the Scandinavians Got it Right—and How We Can, Too, becomes a bestseller. Just imagine a United States in which, in return for your taxes, you received top quality education from preschool through college or trade school, top-quality healthcare, low working hours ...

Viking Economics: How the Scandinavians Got It Right—and ...

Over the 300 years of the Viking Age, and with the expansion of the Norse landnám (new land settlements), the economic structure of the communities changed. In 800 AD, a well-off farmstead in Norway would have been primarily pastoral, based on the raising of cattle, pigs, and goats.

The Economic System of The Vikings

The Silk Road enabled the Viking economy to expand. Through these trade routes, the Varangians – the Greek name for Scandinavians – could trade with all of Eurasia. As always in trade, these were two-way routes. The Vikings had plenty to offer the world and the world had plenty to offer the Vikings. Global imports

The Viking Economy: Trade in the Viking Age

George Lakey, 79, recently retired from Swarthmore College. While a professor there he wrote Viking Economics after interviewing economists and others in the Nordic countries. As a young adult he ...

Viking Economics How the Scandinavians Got It Right and How We Can Too

Accessible and hopeful, Viking Economics is essential reading, providing ideas and inspiration for how the UK Left can maximise its power, moving forward to kick out the emboldened Tory government, boost Jeremy Corbyn's electoral chances and win a progressive 'People's Brexit'. 'Change requires hard work', Lakey notes at the end.

Viking Economics: how the Scandinavians got it right - and ...

Viking Economics: How the Scandinavians Got It Right — and How We Can Too is published by Melville House. Lakey: It's in our founding documents, after all! We can look back at times when there has been more equality in the United States, like after World War II, when our society was actually much happier and in many ways a more satisfying place to live than it has been when it's been ...

What the U.S. Can Learn From "Viking Economics" - Yes ...

In Viking Economics --perhaps the most fun economics book you've ever read--George Lakey dispels these myths. He explores the inner-workings of the Nordic economies that boast the world's happiest, most productive workers, and explains how, if we can enact some of the changes the Scandinavians fought for surprisingly recently, we, too, can ...

Review: Viking Economics, by George Lakey | THE Books

In Viking Economics—perhaps the most fun economics book you've ever read—George Lakey dispels these myths. He explores the inner workings of the Nordic economies that boast the world's happiest, most productive workers, and explains how, if we can enact some of the changes the Scandinavians fought for surprisingly recently, we, too, can ...

Viking Economics » Melville House Books

Liberals worldwide invoke Scandinavia as a promised land of equality, while most conservatives fear it as a hotbed of liberty-threatening socialism. But the left and right can usually agree on one thing: that the Nordic system is impossible to replicate elsewhere. The US and UK are too big, or too individualistic, or too . . . something. In Viking Economics—perhaps the most fun economics ...
