9780890190371: Water Can Undermine Your Health - AbeBooks ...

He says natural water has natural minerals which deposits in your body over a life time causing you health problems. He compares that as when water boils in a kettle you can see minerals deposits in the kettle, it's the same depositing in your body. Well Mr. Writer water does not boil in a body. Water is always 32°C in a body.
